Pregnancies today may not be as miraculous as Mary's and Elizabeth's; however, all pregnancies are gifts from God. Everyone should feel as happy and blessed as Mary and Elizabeth about the pending birth of new life.

Although this is generally considered a Christmas story, the lesson from this presentation is applicable any time of the year.

Mary (younger)  
Narrator (any age)

**Costume:**

Both women should wear biblical attire

5 minutes

**Musical Director Note:** Although a music sheet is not included, this is a simple song and your musicians will be able to pick it up by ear; from the YouTube video or the piano accompaniment included with the script.

**Watch YouTube Presentation by the Drama Ministry of Calvary Baptist Church, Baltimore, MD.** *This sketch was performed by my 2 daughters Teneek and Teil; both are actually pregnant 4 months apart.*

SONG - DUET "HAPPY AND BLESSED" BY CAROLYN ROBINSON

Elizabeth:

For so many years, I've dreamed of this moment  
Didn't think I'd ever see  
A wonderful miracle sent straight from God  
Now growing in side of me.  
And who would have believed at my old age  
I'd be so happy and blessed.

Mary:

And just like with you, an angel appeared  
And told me that I'd be the one  
That God had found favor in me  
That I would bear His son.  
And who would have believed a virgin girl  
Could be so happy and blessed

*Chorus:*

Blessed, blessed  
Wonderfully blessed indeed  
We're blessed, so blessed  
No one else is more blessed than we.

We're blessed, so blessed  
With mercy and grace indeed  
We're blessed, so blessed  
No one else is more blessed than we.

*Bridge*

Elizabeth

And here we are  
The two of us together  
This is the best feeling I've every known

Mary

A pregnant old lady and a virgin girl  
Are both so happy and blessed

(Repeat chorus and end)
